**“Dear Mr. Salos: I just wanted to tell you how much the Magnavox people enjoyed your performance as Frank Sinatra last Monday evening at Caesars Palace, Las Vegas. Your blend of Las Vegas and your outstanding “Evening with Sinatra - The Man and His Music” show was the best of the three nights our people had. You are truly one of the best Sinatra’s we have seen! Thank you so much for such a very enjoyable evening.”**

**Best regards,**
